) Case No. 00-2810-CW

) **FINAL CERTIFICATION OF 3M
COMPANY WITH RESPECT TO
DISTRIBUTION UNDER THE
SETTLEMENT AGREEMENT**

21
22 3M Company ("3M") (identified in the caption as 3M Corporation, a/k/a Minnesota Mining
23 and Manufacturing Company) submits this Final Certification pursuant to paragraph 3.11 of the
24 Settlement Agreement and paragraphs 11 – 13 of the Distribution Plan, as approved by this Court in
25 its Final Approval Order and Judgment entered on April 24, 2006. This Final Certification confirms
26 the final distribution of all products called for by the Settlement Agreement and the Distribution Plan.

27 During the period between the Effective Date of the Settlement Agreement and the date of this
28 Final Certification, 3M has distributed to the authorized charities over \$41,000,000 in 3M product.

1 This constitutes full distribution of the entire Settlement Consideration called for by paragraph 2.1 of
2 the Settlement Agreement. This distribution has taken place in approximately 24 months, and
3 therefore has been made within the time (and, in fact, sooner than) the time for distribution set forth in
4 paragraph 3.2 of the Settlement Agreement. Paragraph 3.2 of the Settlement Agreement explicitly
5 authorizes "the distribution of products in fewer than forty-eight (48) months," which has now
6 occurred.

7 Filed herewith are the Final Certification of the Settlement Administrator, Rust Consulting, Inc.
8 (the Settlement Administrator), and three tables which I describe below. 3M has received and
9 reviewed this Final Certification of the Settlement Administrator in accordance with the provisions of
10 Paragraphs 11 - 13 of the Distribution Plan. The Final Certification of the Settlement Administrator
11 and the three accompanying tables confirms the full distribution of product provided for in the
12 Settlement Agreement and provides the detail concerning the product distribution pursuant to the
13 Settlement Agreement. The Final Certification of the Settlement Administrator incorporates three
14 tables. Tables I and II set forth the identity of the charitable recipients receiving product, the total units
15 for each product, the retail price allocable to each product, and the source of the retail price
16 information. Table I also sets forth the total value for all products other than invisible and transparent
17 tape distributed under the Settlement Agreement. Table II sets forth the total value for invisible and
18 transparent tape distributed under the Settlement Agreement. The total value of all product shipped to
19 charities pursuant to the Settlement Agreement is set forth in Table I, page 12. Table III shows the
20 geographic distribution by state as between those states listed on Exhibit C to the Distribution Plan and
21 all other states. The Final Certification of the Settlement Administrator also confirms the efforts by the
22 Settlement Administrator and authorized charities to effect the product distribution in the percentages
23 set forth in paragraph 10 of the Distribution Plan so far as reasonably practicable. In accordance with
24 that paragraph, which describes the objective to allocate, so far as reasonably practicable,
25 approximately 60% of the products for ultimate distribution in particular states, the charities have
26 distributed to date approximately 57% of the products in those states.

27 This is the Final Certification of 3M Company of Distribution of Product Consideration and the
28 Final Certification of the Settlement Administrator of Distribution of Product Consideration. They

1 confirm that the full product distribution called for by the Settlement Agreement and the Distribution
2 Plan have been now been made. 3M has thus fully met its obligations under the Settlement Agreement
3 and the Distribution Plan and no further Report or Certifications are called for or contemplated.

Respectfully submitted,

Case No.: C00-2810 CW

**FINAL CERTIFICATION OF
SETTLEMENT ADMINISTRATOR
WITH RESPECT TO DISTRIBUTION
UNDER THE SETTLEMENT
AGREEMENT**

Rust Consulting, Inc., Settlement Administrator under the Settlement Agreement herein, submits this Final Certification pursuant to Paragraph 3.11 of the Settlement Agreement and Paragraphs 11-13 of the Distribution Plan, each such document having been approved by the Court in its Final Approval Order and Judgment entered April 24, 2006. This Final Certification confirms the distribution of all products called for by the Settlement Agreement and Distribution Plan.

Pursuant to the Settlement Agreement and Distribution Plan, I certify that 3M has completed the distribution of \$41 million in 3M products called for by the Settlement Agreement.

I also state that I have prepared the Conroy Settlement Distribution Summaries and the Geographic Distribution Summary attached to 3M's Final Certification dated September 24, 2008, as Tables I, II and III and that they are accurate to the best of my knowledge and belief. In addition, I have made the authorized charities aware of the objective to allocate the ultimate distribution of products, so far as reasonably practicable, in the approximate percentages set forth in paragraph 10 of the Distribution Plan. In accordance with that paragraph, the charities have distributed to date approximately 57% of all products in those states – very close to the stated objective of 60%.

Since 3M has now completed the distribution of the \$41 million in 3M products called for by the Settlement Agreement and that product is now completely in the hands of charities for ultimate distribution, this is the Final Report and Certification being filed with respect to the Settlement Distribution, in accordance with paragraph 13 of the Distribution Plan. No further Report or Certification is called for or contemplated.

On October 30, 2008, I served on the interested parties in said action the within:

FINAL CERTIFICATION OF SETTLEMENT ADMINISTRATOR WITH RESPECT TO DISTRIBUTION UNDER THE SETTLEMENT AGREEMENT

☒ (MAIL) I am readily familiar with this firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with the U.S. postal service on that same day in the ordinary course of business. I am aware that on motion of party served, service is presumed invalid if postal cancellation date or postage meter date is more than 1 day after date of deposit for mailing in affidavit.
